CAMP CORNER

It's been a wonderful opening week here at camp! The weather has been hot and the campers are enjoying themselves. Day camp, which includes all the color groups, has been packed with activities such as tennis, swimming, arts & crafts, music/drama, archery. The rock climbing wall was a hit during the adventure block of time! This week our theme has been *PIRATES!* Each day some of the activities have been geared toward pirates, including some silly songs and crafts.

In case you were wondering, some of the specialty camps have been working on some awesome stuff! Our junior inventors have been building water parks, detective science has been creating crime scenes, water sports are doing water skiing and Friday this week will be water slide day - What a fun way to end the adventure block of time this week! We are looking forward to a great summer!

"Always follow your dreams" – Will Dommernuth, Red Group Leader

"Have a positive attitude and have fun every day!" – Katie Fisher, Rainbow Group Counselor

"Listen and have fun!" – Danielle Smoot, Orange Group Leader

Counselors of The Week:

Highlight on the faces around campus

DYLAN INSKEEP

Dylan is going to be a sophomore at the University of Northern Colorado, and he is studying sociology. This is his second year at CA Summer Camp and this year he is a General Counselor. He enjoyed working with the kids last year and wanted to come back. His interests are sports, specifically racquetball.

ALISON KEANE

Alison is going to be a graduate student this fall and will be headed off to New York to attend Columbia University where she will be working on her masters in International Educational Development. This year she is a group leader and enjoys working with the kids. She loves to travel and go to concerts.

CAMERON PROSSER

Cameron will be a sophomore at Colorado State University this coming fall. This year will be his fourth year back at CA as a Group Leader because as he describes, "It is a lot more fun than other jobs". Outside of work, he enjoys anything that includes wheels, i.e.: bikes, skateboards, etc.
