CAMP CORNER

This week was Shipwrecked Week! After a record number of campers last week, with just over 500 kids, this week seems a bit quiet with about half as many campers. The holiday week brings time with family and friends and many families are travelling.

iCamp will be here each week this summer. The campers are all working on their own ideas. Some are creating video games, building houses, building Legos, and creating animation. Truly amazing what they can create on their own!

Kids' Choice Week is back! Campers have voted on their favorite songs and will be singing them on **Wednesday, July 3**, at 2:45 in Froelicher Theater. Color groups Rainbow, Purple, Orange, Green, Blue, and Red will be performing. Please note that this performance will take place on Wednesday. Please remember your CA entrance pass to access the campus. Rock on!

Have a fun and safe Fourth of July!

"Have fun and be a good friend!" – Courtney Landorff, Purple Group Leader

"Enjoy life while you are young!" – Isaiah Sanchez, Green Group Leader

"Listen to the counselors and have fun!" – Nathan Anderson, Blue Group Leader

Counselor to Camper

ADVICE

Counselors of The Week:

Highlight on the faces around campus

RACHEL YEARGIN

Rachel is going to be attending Colorado University in Boulder as a sophomore this fall. This is her first year to CA Summer Programs where she is a Rainbow Group Counselor. She loves to go to concerts and listen to music when she isn't working.

QUINN DEVEREAUX

Quinn Devereaux - This fall Quinn will be a sophomore at the University of Portland where he is studying Business Operations and Technology Management, with a minor in Computer Science. He has worked the last two summers at CA and is one of the Orange Group Leaders this year. He loves being active with the kids and says, "It's better than working in an office. It's a good summer job." When he isn't working he enjoys golfing and hanging out with friends.

NICK BUSTER

Nick is going to begin his first year as a master's student at Denver University this fall, and he will be studying Education. He is one of the Green Group Leaders and he loves the kids and counselors at CA. When he isn't working, he is coaching soccer!
