Favorite Camp Memories from 2018

A pic that I loved from camp this summer. Mom of Bennett

My favorite memory was having a solo act during performance week at circus camp. *Charlie*

They treasure their paper plate awards and cardboard ship made during Star Wars camp. Mom of Ryan and Henry

My favorite memory was in Zoology camp with Ms. Bronston. We went to the Dumb Friends League and got to meet the cats. We made signs to help them get adopted, like for a cat named Jake. He was adopted a few days after I put the sign up. I felt so happy and proud. *Leah*

CA Camp, circa 1971

Cousins! First day of camp.

CA Camps are just tons of fun and that's my best memory—all the fun I had with friends and teacher. I REALLY loved Frozen camp. My best buds were there and we got to make Elsa, Anna and Olaf! We all got to be coronation princesses! *Elle*

My kid has loved being a part of summers at Colorado Academy. Last summer his favorite camp was Ghostbusters VS. Zombies. I love the diversity of programs you offer. Mom of Xavier

CA Camp, circa 1971

Welcome!

Thank you for your interest in Colorado Academy Summer Programs.

Is your child ready for the best summer ever?

Our summer programs have been around since 1951. Our campers come from as far away as Arvada, Castle Rock, Evergreen, and Parker. You don't have to be a CA student to participate. Lots of campers attend other schools during the academic year. With over 20 different programs per week, you can choose from a variety of activities that are all fun, engaging, and challenging – both intellectually and physically. Our campus consists of 94 acres of beautiful Colorado countryside in southwest Denver. Plus, we transport kids to different attractions around Denver, so you can add variety to your child's summer activities and let us do the driving.

Fun for your child. Convenience and peace of mind for you.

- Lunch included for all full-day campers
- Before and after camp available
- Bus transportation available
- Seven-to-one overall camper-to-staff ratio

Campers have access to these amazing resources:

- Swimming Pool
- Archery field and equipment
- Tennis racquets and eight tennis courts
- Five large playing fields
- Four computer labs
- Red Cross-accredited swim lessons
- Studio art workrooms

CA offers something for EVERYONE!

With a wide variety of offerings from photography to Harry Potter and HGTV to Iron Chef, there truly is something for everyone at every age.

Building self-confidence is our focus.

At the end of summer camp, we want every child to leave with more self-confidence; we place emphasis on this through each of our programs. Through teamwork and individual successes, appropriate risk-taking and challenging activities, each child gains a greater sense of self-worth and accomplishment. Plus, we hope they make a few new friends along the way.

Save Money!

Kids benefit from a longer camp experience. Register for more weeks and SAVE on camp.

Why do campers benefit from a longer camp experience?

Campers typically need several days to fully integrate and feel comfortable in the camp environment. After this important warm-up period, the magic begins: A child begins to learn new skills, form friendships and build self-confidence.
