

Film Making Fun

W7: July 22-July 26

9:00 a.m.-3:30 p.m. Entering grades 4-9

This intense one week camp is all about making a well-thought-out short film. You will create a story, film on locations all around the campus, and edit your film so that your final project is spectacularly your own. You will learn about iMovie and all of the program's possibilities. In past classes we have had an angry cellphone chasing its owner, a talking pop tart, a photo bomber, a library ghost, an artist in a world of people who all act the same, and much more. This is a great class for any one who loves creativity and ingenuity! \$330
