

Fizz Bang Boom Chemistry Lab

W1: June 10-June 14

12:30 p.m.-3:30 p.m. Entering grades K-5

Our Junior Boom Institute of Higher Reactions will make your summer a blast! Can you solve the mystery of the growing glove using the scientific method? The Gator in the Bottle visits the camp throughout the whole week to help build science skills. Scientists will go hunting for science, catch a rainbow in a test tube, trap the Foaming Monster, and use the chemistry of yeast to make a tasty root beer treat. Don your lab goggles for tons of fun in this exciting chemistry camp. \$260
Instructor: Science Matters
