

## If You Give Your Child a Book

### **W5: July 8-July 12**

2:00 p.m.-3:30 p.m. Entering grades K-3

If you love the If You Give a Mouse a Cookie collection, you will love this camp. These popular children's books will inspire our young readers and help them to identify patterns and connections in the stories. By the end of the week each child will write their own story, following the pattern in the books. \$135
