

LEGO®: Girl-Powered STEM Challenge

W3: June 24-June 28

9:00 a.m.-12:00 p.m. Entering grades 2-6

In this all-girls camp we will explore engineering and architecture through hands-on building scenarios and stories in a supportive environment. Girls will create their own fantasy land complete with animals and tree houses, beach scenes with sailboats and tropical islands, towns with houses, bakeries, and shops; horse stables, and much more! Taught by female instructors, this course is perfect for girls who love to build! \$220
