

Large Outdoor Board Games

W4: July 1-July 5 (four days)

9:00 a.m.-12:00 p.m. Entering grades 1-5

Playing games is an easy and excellent way to spend unhurried, enjoyable time together. Satisfy your child's competitive urges and the desire to master new skills and concepts such as: number and shape recognition; grouping and counting; letter recognition and reading; visual perception and color recognition; eye-hand coordination and manual dexterity. We play with life-sized game pieces, and sometimes the campers get to play the moving part. Campers play some of the greatest board games and classic games that have entertained families for decades. \$170
