

Stage Combat

W2: June 17-June 21

9:00 a.m.-12:00 p.m. Entering grades 6-12

Stage Combat is a technique that teaches performers how to punch, kick, fall, slice, thrust, and slash in a realistic way—all without ever putting any actor at risk or hurting yourself.

In this week long, half-day course, students will learn the fundamentals of both unarmed (falls, punches, kicks, grappling) and single sword (rapier) combat. At the end of our week together, each student will choreograph and perform their very own epic fight scene for parents and fellow campers! \$200
