

Skatestart

Week 7 July 22-26 and

Week 8 July 29-August 2

2:00-3:30 Entering grades 2-6

During our Skatestart sessions, your child begins to learn beginner & intermediate skateboarding moves in a group environment. Your child will make new friends, learn tricks, gain confidence in themselves, and have FUN! Other activities include skateboard assembly, building an obstacle, wilderness adventures, and proper pad usage. Games such as sharks and skaters, treasure hunt, and SK8 limbo will make utilizing their new skills more fun. Our patented Skatestart skateboard is provided as are helmets. Sign up and let's get rolling!
