**Calling all fans of CA Adventure Seekers camp! Join us for a new and exciting twist on one of our most popular camps as we get wet! Spend the week searching for adventure in some of the more water-logged parts of Colorado. Participate in a variety of outdoor water-based activities such as paddle boarding, kayaking, rafting and sailing. Participants are challenged individually, but also learn how to trust and depend on other members of their group. Under the guidance and experience of trained leaders, the Adventure Seekers Water Lovers will have stories to tell about their exhilarating journeys into the wild, wild wet.**
