

**Cardboard Architecture Cost \$260**

**Week 6: July 13-July 17**

**Entering Grades: 3 4 5**

**9:00 a.m.-12:00 p.m. Instructor: Michele and Michael Warszalek**

**Explore the basics of architecture, city planning, and cardboard sculptures in a week long mix of collaborative and independent projects. We will work as a team, using problem-solving and creativity to transform recyclables and found objects into our own unique village, including buildings, streets, bridges, landscaping, and transportation. Each participant will take home a piece of the city at the end of the week. Let's turn trash into treasure!**
