Do your kids enjoy performances like Cirque Du Soleil and The Greatest Showman? Then our Hula Hooping and Carnival Arts Camp will be perfect for them. Each day, the kids will learn cool hoop tricks, play fun hula hoop-inspired games and engage in partner moves. Afterwards, the kids will work on juggling and stilt walking with cups! Children will also learn how to make silly balloon animals with their instructor. On the last day, the kids will put on a class performance and get their face painted. Participants will take home juggling balls and a hoop so that they can continue to practice their skills.
