**Come be a Junior Park Ranger for a week! We'll explore the wilderness at a few of our stunning local, state, and national parks and wildlife areas. We'll search for signs of wild animals, study local plant life, investigate rock and land formations, and learn about who (and what) lives in our lakes and streams, all the while having fun skipping rocks, climbing trees, and playing in Colorado's beautiful backyard! Our expedition will take us to Lookout Mountain Nature Center, Rocky Mountain Arsenal National Wildlife Refuge, and many more spectacular places in Colorado!**
