

LEGO®: Girl-Powered Intro to STEM Cost: \$220

Week 3: June 22-June 26

Entering Grades: K 1 2

12:30 p.m.-3:30 p.m. Instructor: Play-Well TEKnologies

In this all-girls camp, we will explore engineering and architecture through hands-on building scenarios and stories in a supportive environment. Girls will create their own fantasy land, complete with animals and tree houses; beach scenes with sailboats and tropical islands; towns with houses, bakeries, and shops; horse stables, and much more! Taught by female instructors, this course is perfect for girls who love to build!
