Instructor: Little Medical School®

Little Veterinarian School® encourages children to explore the exciting world of veterinarians and one of our favorite canine companions, dogs! Using role-playing, interactive demonstrations, crafts and games, kids learn how to take care of a pet and perform tasks that real veterinarians do in this fun-filled five-day camp. Each child will adopt a new stuffed furry friend that will be used throughout the camp. Children will take home their new canine companion, disposable white lab coat, water bowl, dog-friendly treat recipes, and a graduation diploma. Topics include: roles & responsibilities in the veterinarian's office, food and water, lacerations, ticks, radiology, the immune system and vaccinations, canine body language, and more!
