

Making Music with Apps Cost: \$120

Week 5: July 6-July 10

Entering Grades: 1 2 3 4 5 6 7 8

12:30 p.m.-2:00 p.m.; 2:00 p.m.-3:30 p.m. Instructor: Ryan Pontillas

Make your own digital music using a variety of iPad/tablet music applications in this composition-based class. Using fun, interactive, and non-traditional tools, you will use an iPad/tablet (provided) to create original arrangements, design sounds, and spin DJ mixes. Your original music will be burned to a CD, which can be decorated, taken home, and played in the car or on any CD/DVD player.
