

Making Music with GarageBand Cost: \$120

Week 1: June 8-June 12

Entering Grades: 4 5 6 7 8

Week 2: June 15-June 19

12:30 p.m.-2:00 p.m.; 2:00 p.m.-3:30 p.m. Instructor: Ryan Pontillas

Make your own digital music using Apple's GarageBand in this composition-based class. Use a sequencer, digital instruments, effects, and synthesizers to create your own songs in a digital audition workstation (DAW). Your original music will be burned to a CD which can be decorated, taken home, and played in the car or on any CD/DVD player.
