

Reading: *Intensive Literacy Support*

Level I Cost: \$1045 for 4 weeks

W1-Week 4: June 8-July 2 (four weeks) Entering Grades: 3 4 5

12:30 p.m.-3:30 p.m. Taught by a Certified Orton-Gillingham Instructor

This is a four-week long, Orton-Gillingham based literacy intervention. The program addresses the five essential components of effective reading instruction: phonemic awareness, phonics, fluency, vocabulary, and comprehension. The sessions are designed for small groups. Children will work to improve reading and spelling skills in this half-day program. The reading and spelling curriculum is a structured, multisensory approach to phonics instruction, with an emphasis placed on learning the six syllable types and spelling rules. Daily lessons are cumulative, and there is nightly homework (20-minute minimum).
