

Reading Rocketship for Kindergarten Cost: \$400

Week 1-Week 2: June 8-June 19 (two weeks) Entering Grades: K

9:00 a.m.-12:00 p.m. Instructor: Lindsey Owens

This program addresses the five essential components of effective reading instruction: phonemic awareness, phonics, fluency, vocabulary, and comprehension. Through movement, stories, and direct instruction, children will learn necessary foundational reading skills. This program lasts two weeks. The Orton-Gillingham based lessons will be used to target rhyming, initial/final sounds, blending/segmenting words, and reading at levels appropriate for each individual child. We will also work daily on written expression using pictures and words. There is a nightly homework requirement for this class as well (15-minute minimum).
