Are you constantly scanning Rotten Tomatoes and IMDB for movie reviews? Have you ever watched a movie and immediately wanted to share your opinion about it? "Reel Reviews" gives you a voice in the world of cinema commentary. In this week long class, you will be watching movies and learning the basics of film review writing. Critics who are 13 and older will submit their reviews to teenink.com. Critics under 13 can plan to add their reviews to our movie review journal. Plan to eat popcorn and think like a critic!
