***9:00 a.m.-12:00 p.m.***

***Instructor: Sound Formation***

**Explore the amazing connections between math and rhythm. Rhythm includes numerous aspects of math like operations, ratios, factors, symmetry, algebraic thinking, binary numbers, and shapes. The level of math will be tailored to the grade and ability level of each student. We'll show how to apply math equations into music! A wide variety of professional hand-percussion instruments will be used.**
