

Secret Life of Pets Cost: \$380

Week 3: June 22-June 26

Entering Grades: 4 5 6 7 8

9:00 a.m.-3:30 p.m. Instructor: Christine Boss

Experiment with animal intelligence and learn clicker training, along with other fun activities like science experiments, games, and crafts. Explore pets through observation, experiments, animal handling, reading, research, and discussions with animal experts. Campers explore cats, horses, caged pets, and aquarium pets. Because animals are brought into class, safety and health precautions are taught and followed closely. Campers have direct contact with a variety of animals which produce allergens.
