

Tabletop Catapults Cost: \$275

Week 1: June 8-June 12

Entering Grades: K 1 2 3 4 5

12:30 p.m.-3:30 p.m. Instructor: Science Matters

Throw things...really, really, really far with catapults, trebuchets, and cannons in this half-day camp. Build a working tabletop wooden trebuchet to start an exploration of Newton's Laws of Motion, create games with the mini Basketball Catapult, and float Flying Frisbees through the firmament on our Science Matters Golf Course. Take some terrific target practice with a marshmallow gun. We'll have things whizzing around the classroom for the whole camp.
