Week 8: July 27-July 31

Entering Grades: 6 7 8

12:30 p.m.-3:30 p.m. Instructor: Melissa Zaremba

Dig through your closets and dresser drawers, friends. Scrounge up those favorite, wonderfully worn t-shirts that you no longer wear and let's repurpose them together. We will design and create a comfy, heirloom quilt that will certainly draw attention and keep you cozy. Basic sewing skills are a plus, but don't worry if you can barely thread a needle, we'll learn together.
