Make a Minecraft® or Roblox movie, or make a mashup movie! Choose Minecraft® or Roblox figures to create a movie full of games or challenges for your character to overcome. New for 2022, more set design effects, like flowing lava! In this stop-motion movie-making class, you work in small groups to create and voice-over your movies. In this advanced class, students are given more instruction on how to create compelling stories and more independence to try ideas that may be more difficult. *Flix emailed within a month after camp ends.
