

CSI Science Matters

W1: June 6-June 10

9:00 a.m.-12:00 p.m. Entering Grades K-5

Join the Forensics Team at Science Matters to solve a mystery, using DNA, fingerprinting, and chromatography analysis. Take your science skills to the next level. We explore “what if” science with crazy, wacky experiments that keep you talking forever. Build your own forensic science kit. This is unbelievable fun for all ages.

Cost: \$290

Instructor: Science Matters
