

## **Camp Math and Read for Grades 4 & 5**

W6 & W7: July 11-July 22 (Two-week program)

12:30 p.m.-3:30 p.m. Entering Grades 4-5

**Math:** Developing computation skills and understanding basic math processes are the major components of the math program. At the first class meeting, students are tested and a personalized plan is developed for each student. Upon completion, a final report is prepared that includes goals achieved and areas needing further attention.

**Reading:** Students learn to be active participants in the reading process while focusing on comprehension and decoding skills. The program includes: vocabulary development; book analysis and discussion; summary writing and main idea identification; conclusion, and inference skills.

Cost: \$520 (Two weeks)

Instructor: Eliza Spear & Amy Domokos
