

## **Countertop Chemistry**

W4: June 27-July 1

9:00 a.m.-12:00 p.m. Entering Grades K-5

Turn your kitchen into a lab with these experiments that you can do at home. See our Cool Blue Light and explore luminescence, make your own gooey worms, and make an Invisible Friend using chemistry. Of course, play with polymers. We'll also make some kitchen chemistry that you can eat. Please note: this camp will include dairy and gluten and chocolate. It's home science that teaches.

Cost: \$310

Instructor: Science Matters
