

Enchanted Engineering

W2: June 13-June 17

9:00 a.m.-3:30 p.m. Entering Grades K-2

Once upon a time, your favorite story book characters found themselves in sticky situations, and we can help! Using STEAM and engineering principles, we build a house to save the Three Little Pigs, design pulleys and levers to help Rapunzel, and much more! In this hands-on class, children discover how they save the world and create their very own enchanted ending.

Cost: \$570

Instructor: Little Scholars
