

## **Kinderbots**

W8: July 25-July 29

9:00 a.m.-12:00 p.m. Entering Grades K-1

Children will begin to explore the world of robotics as they build simple models that teach the fundamentals of robotic design. Whether learning about sensors while building drills and magic wands, or discovering ways that gears and pulleys create movement while building helicopters and robotic dogs, your child is sure to have a great time.

Cost: \$285

Instructor: Snapology
