Do you love the idea of helping others? Do you like the idea of giving back to your community? We are looking for participants that are willing to think beyond their own needs and look to the needs of others. During this week, campers participate in various services in and around Denver. Activities may include, but are not restricted to: protecting and maintaining an open space park in the metro area, working with children, rescued animals, and helping out at the Ronald McDonald House. We work closely with the Volunteers of America. Our week ends with a trip to Elitch Gardens to celebrate our hard work.

Cost: \$430
