

## **Mountain Explorers**

W5: July 5-July 8 (4 days only)

W7: July 18-July 22

9:00 a.m.-3:30 p.m. Entering Grades 3-5

Make the most of your summer by exploring the diverse ecosystems that Colorado has to offer! Each day, you explore a new area in Colorado's Front Range, where you get the chance to experience indoor and outdoor rock climbing, go "sledding" on a glacier, and get your feet wet paddling at a local reservoir. As a part of our Mountain Explorers Camp, you get the chance to explore the varied activities and types of terrain that make Colorado so unique and special. You make a field journal, learn about the '10 Essentials' and Leave No Trace wilderness ethics, build "survival" shelters, and gain some of the necessary skills to safely play in the mountains for years to come!

Cost: TBD

Instructor: Colorado Mountain Club
