

Museum Exhibit Design

W7: July 18-July 22

12:30 p.m.-3:30 p.m. Entering Grades 7-9

Our goal in this camp will be to create a mini pop-up museum, built around a theme or topic we will choose together. We'll begin by immersing ourselves in one or more of Denver's museums to get a feel for how exhibit designers engage visitors. Using those museum experiences as examples and inspiration, we'll try to deduce some principles of good exhibit design. Then we'll try to put those principles into practice as we produce a museum of our own.

Cost: \$275
