

Ocean Blue: Adventures Under the Sea

W2: June 13-June 17

12:30 p.m.-3:30 p.m. Entering Grades K-5

Come take a dive into the world of Marine Biology and Oceanography. Dissect a real shark, design your own fish, and bring to life genuine Triassic Triops. Examine sea shells from the sea shore and make a cool design to take home. We continue the fun and examine the anatomy of a fish and make fish print t-shirts. We finish the week by coming face to face with some unique sea creatures, such as squid.

Cost: \$290

Instructor: Science Matters
