

Science of Superpowers

W3: June 20-June 24

9:00 a.m.-12:00 p.m. Entering Grades 2-6

In Snapology's Science of Superpowers program, students explore the world of their favorite superheroes. Students learn about forces, energy, and problem solving as they build models inspired by Superman, Batman, and all their favorite heroes. Experimentation and fun are crucial components of this 'super' educational program!
