

## **Slimy Science**

W5: July 5-July 8 (4 days only)

W7: July 18-July 22

9:00 a.m.-12:00 p.m.; 12:30 p.m.-3:30 p.m. Entering Grades K-4

Get messy investigating the science of our world. We learn about colloids, polymers, solvents, solutions, and chemical reactions, by making ice cream, slime, crystals, lava, and the ultimate bubble recipe. Students have the opportunity to explore the science of color, pigments, and chromatography. Using kaleidoscopes and microscopes we explore the science of light and later delve into the physics of flight. There are also many opportunities to venture outdoors and enjoy nature.

Cost: \$260, W5: \$210

Instructor: Megan Zitron
