

The Alchemy Theater Project

W4: June 27-July 1

9:00 a.m.-3:30 p.m. Entering Grades 6-9

The Alchemy Theater Project is a one-week camp for students Grades 6 - 9 where they will get to use theater to explore their own personal questions, curiosities and passions. The week begins with each student selecting an area of interest that they would like to learn more about: from robotics to helping animals, learning to relax or dealing with conflict, the choice is entirely up to each individual student! We will then spend the week building characters and stories around these areas of interest, including visits from *virtual guest mentors*. The ATP will culminate with both a group performance and an individual "expertise" presentation. This club is perfect for both kids who love theater and kids who have special interests that they're eager to explore more deeply.

Cost: \$420

Instructor: Jason Lemire
