

The (Sometimes) Silent Storytellers

W3: June 20-June 24

9:00 a.m.-3:30 p.m. Entering Grades 3-9

Learn how to tell incredible stories on stage with dance, pantomime, improvisation and teamwork with award-winning theater teacher Jason Lemire. In this full day, one-week class for Grades 3 - 9, students will spend the week learning to work together to tell dynamic stories with movement and imagination. Often funny, always fun, using movement to tell stories helps kids build confidence, teamwork and creativity. The session will culminate with a series of final performances, some rehearsed and others totally improvised. From young thespians looking to strengthen their onstage presence, to "non-theater" kids just looking to have fun and improve their ability to collaborate with others, this class is built for everyone!
