Social media platforms are mere pastimes for a new generation of information consumers, but for the YouTube Star, communication platforms are powerful tools that can turn surfers into entrepreneurs and celebrities! In this exclusive one -week summer camp, students will create their own YouTube channel and use the latest in video edition tools (Adobe Premier) to learn the critical video editing skills necessary for uploading videos that get noticed. Don't just be a social media user, become an online star, and show your ideas to the world.
