Artificial Intelligence: Adventurers

Cost: $525

W3: June 19-June 23

Entering Grades: 2 3 4 5

12:30 p.m.-3:30 p.m.

Instructor: Inspirit AI

In this 100% live, online program held on campus, Stanford, MIT, and other top university AI experts help elementary students explore the foundational logic of artificial intelligence to understand how humans and computers learn. No coding experience required! Think growth mindset exercises, coding, programming, project-based team hack-a-thons, and more.
