Cost: \$270

W3: June 19-June 23

Entering Grades: **6 7 8**

9:00 a.m.-12:00 p.m.

Instructor: Meghan Jordan

In this week-long writer's workshop, writers entering grades 6-8 will stretch their creative muscles and explore writing poetry, fiction, and memoir. During our time together, we will try a variety of writing exercises and techniques with plenty of time for collaborating on pieces and sharing our work. We'll take inspiration and guidance from mentor texts as well as nature, art, and even food. Focus skills will include characterization, descriptive language, and plot devices. By the end of the week, students will have at least one piece ready to publish in a format of the group's choice. Any level of creative writing experience is welcome!
