Have you ever wanted to soar through the air like Spider-Man?! Colorado's only Flying Trapeze summer camp will teach you fun acrobatic tricks. You will jump, swing, and flip in a safety harness above our comfy safety net. You will get 'caught' by one of our professional catchers. You will grow and develop new skills (teamwork, encouragement, confidence). Get ready to have a blast and feel like a superhero! We'll finish the day with another off-site activity such as a trip to a museum, park, or other fun destination.
