

Junior Programmers with Scratch

W3: June 19-June 23

9:00 a.m.-12:00 p.m. Entering Grades 2-5

W7: July 17-July 21

12:30 p.m.-3:30 p.m. Entering Grades 2-5

Designed as an early introduction to coding, this camp teaches aspiring game designers and programmers how to code with Scratch, a dynamic drag & drop coding platform created at MIT. Students will learn how to build interactive games, and animate fun stories using a visual block coding environment. No prior coding experience is required.

Cost: \$325

Instructor: Silicon STEM Academy
