This camp meets Wednesday through Friday. For our youngest campers, these weeklong camps introduce sailing, water safety, and boating. This is a great introduction on how to have fun and be safe on the water. Sailing in a small and incredibly beginner-friendly, 3-person, 303 Access Dinghy Sailboat is a great way to teach the fundamentals with this age group. We understand that campers this age may not be strong swimmers so we recommend that they come having previous experience swimming with a PFD in a lake or reservoir. As long as they can kick and paddle comfortably in an intended direction while wearing a PFD, they are a good fit for this camp
