

MindDance Coding: Creating with Computers

Cost: \$320

W1: June 5- June 9;

Entering Grades: **2** **3** **4** **5** **6** **7** **8**

W3: June 19-June 23; W6: July 10-July 14

Instructor: Nick Wolf

12:30 p.m.-3:30 p.m.

Beginner and experienced coders create animated stories, music, and interactive art. The Scratch programming language is free and web-based so campers can work on their projects from home and publish to Scratch website.
