

MindDance Coding: Inventing with Computers Cost: \$320

W2: June 12-June 16

Entering Grades: 2 3 4 5 6 7 8

W4: June 26-June 30

Instructor: Nick Wolf

9:00 a.m.-12:00 p.m.

Beginner and experienced coders use Scratch to create video games, musical devices, and interactive art. Then integrate their projects with the physical world using a MicroBit, a controller, light and sound sensor.
