

Robot Racers

Cost: \$380

W2: June 12-June 16

12:30 p.m.-3:30 p.m.

*Entering Grades: **5 6 7 8***

Instructor: Science Matters

Circuits, buzzing lights, and motors galore in this super fun camp! Use your imagination and work with your teammates to build different mini bots that are up to various challenges. Your robot will do different things depending on how you construct it. Note: This is for older campers, includes an introduction to soldering, and campers will be using soldering irons.
