

## Robotics with Sphero® Bolt

Cost: \$350

*W4: June 26-June 30*

*Entering Grades:* **3** **4** **5** **6** **7**

*12:30 p.m.-3:30 p.m.*

*Instructor: Silicon STEM Academy*

Explore robotics with Sphero BOLT (from the same makers as Star Wars BB8). Use a personal tablet to control the robotic ball, its programmable sensors, and colorful LED lights. Compete in friendly races and test your skills in obstacle courses. Customize your display, play games, and communicate remotely to other Sphero BOLTs! This popular camp is pure hands-on fun!
