

Slimy Science & More

Cost: \$270

W6: July 10-July 14

Entering Grades:  **K 1 2 3 4**

W8: July 24-July 28

Instructor: Megan Zitron

9:00 a.m.-12:00 p.m.

12:30 p.m.-3:30 p.m.

Let's make slime, get messy and explore magnetism and electricity. Learn about force, motion, potential and kinetic energy using roller coaster tracks. We will discover fossils, geologic formations and crack open a geode.
